Business Representation

If your business meets the requirements of a "**Small Business**" or "**M/WBE**" according to the definitions that follow (s. 288.703, Florida Statutes, Commercial Development and Capital Improvements), it is important that you select the correct classification to assist the District in properly reporting its spend activity with your business to the State of Florida.

"**Small business**" means an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in this state which has a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the \$5 million net worth requirement shall include both personal and business investments.

"**Minority business enterprise**" means any small business concern as defined in subsection (1) which is organized to engage in commercial transactions, which is domiciled in Florida, and which is at least 51-percent-owned by minority persons who are members of an insular group that is of a particular racial, ethnic, or gender makeup or national origin, which has been subjected historically to disparate treatment due to identification in and with that group resulting in an under representation of commercial enterprises under the group's control, and whose management and daily operations are controlled by such persons. A minority business enterprise may primarily involve the practice of a profession. Ownership by a minority person does not include ownership which is the result of a transfer from a nonminority person to a minority person within a related immediate family group if the combined total net asset value of all members of such family group exceeds \$1 million. For purposes of this subsection, the term "related immediate family group" means one or more children under 16 years of age and a parent of such children or the spouse of such parent residing in the same house or living unit.

"Minority person" means a lawful, permanent resident of Florida who is:

- (a) An African American, a person having origins in any of the racial groups of the African Diaspora, regardless of cultural origin.
- (b) A Hispanic American, a person of Spanish or Portuguese culture with origins in Spain, Portugal, Mexico, South America, Central America, or the Caribbean, regardless of race.
- (c) An Asian American, a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands, including the Hawaiian Islands prior to 1778.
- (d) A Native American, a person who has origins in any of the Indian Tribes of North America prior to 1835, upon representation of proper documentation thereof as established by rule of the Department of Management Services.
- (e) An American woman.

Social Services means not-for-profit vendors who enable disadvantaged individuals (i.e., inmates, handicapped, disabled) to be productive citizens.

Veteran – If selected, please indicate if under 8A classification.

Other – If selected, please provide the description of authorized category not provided as a selection.

Certification

An authorized representative of the business, who is able to certify that the information regarding the TIN is accurate, should sign this document.
